ROCKEFELLER PUBLISHING CO. (NEW YORK)

“Rockefeller Publishing was founded with a **philanthropic mission**, allowing researchers and educators to publish open-access books and chapters **free of charge**.”

### PUBLISH WITH ROCKEFELLER

**100% free open-access publication.** We welcome book & chapters with following contributions.

- Revisit and expand interpretations of a previously published paper;
- Timely discussions of a relevant topic;
- Literature review with insights and novel interpretations;
- A study that ignites curiosity and inspires further research within the academic community;
- Research tailored to meet the needs of graduate students and professionals;
- A technical report that helps educate students and scholars;
- Other approaches that advance the understanding of “Science and Technology.”
